Hi Mr. Bates – I hope you received my email of last week. I am now working with two colleagues of mine on researching Jack Lazeroff. These colleagues of mine and I have quietly done some poking around since your email to me, and have reason to believe that the story you relayed to me was not an isolated incident. There may be other victims of Lazeroff. I'd very much like to speak with you about your experience. Our new editor is on board with ferreting out allegations against Lazeroff. We have the editor's full support, and we intend to leave no stone unturned. Your story is critical to this exercise. Can I please interest you in talking with me?

Sincerely,

Dave
