Dear Mr. Tsang:

Thank you continuing to consult with the Division for Historic Preservation of the Office of Parks, Recreation and Historic Preservation (OPRHP). We have reviewed the submitted materials in accordance with the New York State Historic Preservation Act of 1980 (section 14.09 of the New York Parks, Recreation and Historic Preservation Law). These comments are those of the Division for Historic Preservation and relate only to Historic/Cultural resources.

We have reviewed the project submission received on 7/28/2017, including the viewshed photographs. We understand that the proposed new construction will not be visible from Reservoir Drive and will not impede views toward the city. Based upon this review, it is the OPRHP's opinion that the proposed project will have No Adverse Impact upon historic resources.

If there are substantive changes to the project, consultation with our office should resume. If you have any questions, I can be reached at (518) 268-2217.

Sincerely,

Christina Vagvolgyi
Historic Preservation Technical Specialist
